

Cemetery Group Report for ORPC -June 2023

The Cemetery Group's asks that ORPC please read five documents associated with this report

These documents have been by prepared by Henry Thomas after briefing meetings with the Cemetery Group

The documents form the basis of the proposal for the future development of the recently enclosed land to the west of the existing cemetery, and will be used to support the proposed planning application for that land

The Cemetery Group asks ORPC to

1. Review these documents, consider/propose any changes and approve the final design outline for the land
2. To authorise the planning application of this design outline be prepared and submitted to Shropshire Council.
