Cllr Joyce Barrow shared an update with members by email. :

Shropshire Council should hear the response from the Local Government Boundary Commission this week to our proposals for 75 seats to give flexibility in redrawing the boundaries in areas which have been intensively developed since 2009. It is hoped the Commissioners will accept proposals to hold us to the 2009 figure of 74 divisions with around 3500 residents could entail extensive shifting in boundaries shifting and potential disruption of communities of interest (on which the commission places heavy emphasis) we achieved our proposals with full agreement of all parties.

Cllr Barrow will be putting a motion to Shropshire council on Martin Bennett's Night Sky Motion at Full Council on 11th May, I have the backing of three other councillors for this to go forward. As I have informed the Council, Shropshire Council do not have a policy on light pollution and such issues at the moment are dealt with by Regulatory Services.

Cllr Peter Richardson advised the Chair he would cover this item together with item 13. The Finance Committee had met this morning and were quorum. The Committee considered the final summary income and expenditure, balance, and final outturn position as at 31 March 2023 and agreed to accept this as true reflection. The bank reconciliation to 31 March 2023 was spot on and very detailed. A summary of the April payments and income were received following the meeting. The Clerk identify the mini Wi-Fi charge of £18.39 per month and questioned whether this was required due to internet being available at Trefonen and having use of her mobile phone hotspot for meetings held at Rhydycroesau. The Clerk will check with the provider to ensure there is no penalties for terminating the contract.

The application for the Grounds Maintenance was reviewed. The tendering process for the Grounds Maintenance Contract has begun, and the current provider has agreed to a three month extension to 30 June 2023. The provider suggested extending the contract to 31 December 2023 to prevent awarding a contract mid-year. However, given the Clerk has already issued tendering document to six contractors the process will continue.

A member of the Finance Committee will meet with the Clerk to open the tender documents received and these will then be reviewed by the Committee with a recommendation for a provider. The contact will be extended to 3.5 years to ensure it cover to the end of the maintenance season.

Another complaint of speeding through Morda has been received. There was a suggestion of the possible use of CIL funding for VAS devices and ability for asking for 25 mph limits within rural areas instead of the National Speed Limit. The Clerk confirmed a bank transfer for £10,000 is required to pay the Coed y Go invoice. This will be approved by members of the Finance Committee.

Councillor John Davies provided an update on the Community Speed Watch Group stating he is hopefully the ten volunteers will receive training within the next 3 / 4 weeks.

It was PROPOSED, SECONDED and AGREED to NOTE these.

1699 Morda and Sweeney Village Hall

Cllr Martin Bennett advised members the cost for a proposed letter from the Solicitor to The Charity's Commission is £650.00. Cllr Martin Jones felt this would be money well spent to save the Village Hall and asked Councillors to voice their opinions. A members asked for details of the content of the letter. This would cover the questions which have previously been asked and covered in a draft prepared by Cllr Martin Bennett. The Solicitor is an expert in Charity Law. Members were advised that a member of the public had asked the Committee for details of its AGM but has not received any response. Cllr Martin Bennett will provide a redraft to the Clerk.
