

Oswestry Rural Parish Council

Trefarclawdd Cemetery Working Group

Terms of Reference

Preamble

The cemetery comprises three main areas:

1. The existing burial ground.
2. The enclosed land to the east (Coed-Y-Go side).
3. The unenclosed land to the west.

The capacity of the existing burial ground needs to be determined to ensure adequate space for future burials and a ground water survey may be necessary to ensure the land is suitable for burials. The land to the west needs to be enclosed and planning permission for a separate gated access and parking for visitors on land to the west has expired.
