The Tony Cheetham
Community Service Award Scheme
2022

Sponsored by
Stonehouse Brewery

Stonehouse Brewery are delighted to sponsor the Tony Cheetham Community Service Award Scheme this year. We are very much a local company, employing people from within the community; utilising local suppliers and supporting regional charities. It is down to the endorsement and help of our community that we were able to set up the brewery and grow to become the established business that we are today.

The continued success of so many of the services, activities, and events in our parish, are down to the hard work and dedication of volunteers. This award gives the community a chance to acknowledge their dedication and say thank you.
